

PHONE-IN FOR OLDER PEOPLE & THEIR FAMILIES

We invite older persons (and members of their family) who are concerned about exploitation of their money or property by other family members to contact us for a confidential phone interview.

You will not be asked for your name or for any information that will identify you or others.

Please phone on 24th or 25th June 2010 between 10am and 8pm.

Ring (08)8303 0590 or toll free for country callers: 1800 188 158

This is an ARC funded research project conducted by University of South Australia and Flinders University to develop older-person-centred models of family mediation to prevent the financial abuse of older people by their family members.
