GUIDE DOGS TOPS THE BOX AT SKYCITY DARWIN

People have once again shown their support for Guide Dogs NT by donating the highest amount of money raised this year from the Skycity Darwin charity box.

In the months of August and September, Skycity kindly nominated Guide Dogs NT as the recipient of public donations from their charity box - and received \$1185.55.

Guide Dogs NT is now able to purchase much-needed assistive equipment for people who are blind or vision impaired.

Guide Dogs NT would like to officially thank Skycity Darwin and the general public for supporting the organisation.
