

Guide Dogs NT and Natasha Griggs have Christmas wrapped up

14 December, 2010

Natasha Griggs will swap politics for gift-wrapping when the Member for Solomon joins Guide Dogs NT's gift-wrapping station on Thursday 16 December and Friday 17 December.

"It's a great opportunity to support the work of Guide Dogs NT and also engage with more members of the local community," Mrs Griggs said.

Guide Dogs SA.NT has been the primary provider of vision rehabilitation services in the NT for more than 30 years.

All of the funds raised will go towards enhancing the quality of life of individuals living with a vision impairment.

"It's a win-win situation – people can get their presents wrapped and deliver some Christmas cheer at the same time," Mrs Griggs said.

Guide Dogs NT's gift-wrapping station will be in The Galleria, Smith Street Mall from Thursday, 16 December to Sunday, 19 December.

Gift-wrapping times are 11:00am-3:00pm – with each present wrapped for a gold coin donation.
