BIG DOG DAY

The World's Biggest Guide Dog will be in Rundle Mall today to help raise awareness and funds for Guide Dogs SA.NT.

At 4.3 metres tall, Gulliver was built to replicate the iconic fibreglass model Guide Dog Collection Boxes that Australians have seen since the 1970s.

It's the first time Gulliver has been in the State following an official handover from Guide Dogs NSW/ACT and has just returned from a series of regional road trips raising awareness of Guide Dogs SA.NT's free services for people with a vision impairment and/or hearing loss.

Puppy raisers, volunteers, staff, pups will be out in orange raising money to enhance the quality of life of individuals living with a disability and their families.
