Puppy Love for Valentine's Day

Adelaide Thunderbird Bianca Reddy is looking forward to "something other than flowers" this Valentine's Day.

Bianca has been dropping hints to her boyfriend of one year, Neil Partridge, for Puppy Love membership with Guide Dogs SA.NT.

Neil is one of Adelaide's most popular and in-demand guys at the moment – he's an air conditioning technician. Neil's phone has been running hot ever since the heat wave started, including calls from a lot of friends he hasn't heard from in a while.

Bianca, who is hoping for a romantic dinner on Valentine's Day, has been encouraging friends and family to ditch the flowers this Valentine's Day to buy Puppy Love instead.

"Flowers are here today and gone tomorrow. Buying Puppy Love will make a lasting impact to the life of someone with vision loss.

"Plus you get the joy of sharing the life of your a new furry friend."

Puppy Love membership, costing just \$10 a month, consists of a portrait shot of your Puppy Love dog and quarterly letters written from the dog itself. How clever are these dogs?

Inquiries about purchasing Puppy Love should go to Christina Angus at Guide Dogs on 8203 8309 or go to guidedogs.org.au for more details.
