South Australia has a genuine Puppy Love program

Guide Dogs SA.NT is disappointed that many Australians have been caught out by the Nigerian puppy internet scam.

Guide Dogs SA.NT has operated a genuine Puppy Love program for many years, where people support puppies on the Guide Dog Development Program each month.

“Giving through our Puppy Love program helps a little puppy on its way to becoming a guide dog, which is the ultimate mobility aid for someone who is vision impaired,” says Marcus Gehrig, of Guide Dogs SA.NT.

“Our supporters get to be a part of a puppy’s life, receiving regular letters and photos from their dogs throughout their training.”

Anyone interested in supporting a puppy should contact Guide Dogs SA.NT on 8203 8333.
