RESPONSE TO CHASER GUIDE DOG SKETCH

Guide Dogs SA.NT has recorded no complaints regarding the ABC's Chaser program skit, Guide Dogs for the Blind and Munded, airing yesterday (July 22).

Guide Dogs Services Manager Tracey Jones says that whilst the skit had an amusing side it was disappointing that they had allegedly used a real guide dog.

"Our guide dogs are highly trained and we strongly disapprove of them being used as a skit prop or any other activity that puts them at risk."
