## Port Power and Guide Dogs SA.NT join forces

Guide Dogs SA.NT staff and volunteers will be out in force at the Port Adelaide game against Hawthorn this Sunday.

Port Adelaide, which has always had a strong tradition of community involvement, has offered Guide Dogs the chance to man the gates to collect donations and other fundraising opportunities at the match, as part of a new community partnership.

Adelaide Thunderbird Bianca Reddy, an ambassador for Guide Dogs SA.NT, who also looks after a guide dog puppy as a short-term boarder, will attend Planet Teal and participate in a pre-match on-field interview.

Guide Dogs SA.NT Donor Development Manager Simon Blight said the community partnership was a wonderful opportunity for both organisations and he looked forward to working together on future similar projects.
